Sehnde, 12/4/2017

Thomas Pietsch
Deputy head of certification body

Date of certification decision: 24/1/2017

The certificate is valid until 19/1/2019

Only the data on the software platform are significant for the delivery authorisation of approved sites as there can be deviations due to contract dates, blockings etc..

This certificate is the property of the certification body and must be returned on request.

The basis for testing specifications is the QS system manual in its current version at the time of the audit.
